

THIS IS NOT A POWER OF ATTORNEY, BUT A TRANSLATION OF THE POWER OF ATTORNEY HANDED OUT ALONGSIDE THIS TRANSLATION.

Power of Attorney – Notification of Change of Ownership to Utility Companies

The Buyer, as stated above, hereby grants power of attorney (the "**Power of Attorney**") to the Seller, as stated above, to notify the utility companies of the change of ownership and, in that connection, to disclose my CPR number to the utility companies, meter and consumption accounting service providers (the "**Utility Companies**") in connection with the transfer of the Condominium Unit, cf. the purchase agreement entered into between the Buyer and the Seller.

Several utility companies, meter and consumption accounting service providers require, for the purpose of registering meter readings in connection with a change of ownership, that a CPR number be provided.

To the extent that one or more utility companies, meter and consumption accounting service providers require my CPR number to be stated for the purpose of registering meter readings in connection with a change of ownership, the Buyer hereby gives my explicit consent for the Seller to disclose my CPR number to the relevant utility company(ies), meter and consumption accounting service providers that use a CPR number for this registration.

Unless the Seller needs to use the personal identification number for other purposes in connection with the completion of the purchase of the Condominium Unit, cf. the purchase agreement, the personal identification number shall be deleted by the Seller after it has been disclosed to the Utility Companies.

This Power of Attorney shall be valid until 20th of June 2026.

This Power of Attorney is governed by Danish law, provided, however, that the Danish rules on private international law shall be disregarded. Any dispute arising out of the Power of Attorney shall be settled by the City Court of Copenhagen.
